

THE UNIVERSITY OF HONG KONG
FACULTY OF SOCIAL SCIENCES

LEARNING OUTCOMES

Bachelor of Social Sciences Curriculum

I. Objectives

The Bachelor of Social Sciences programme (BSocSc) seeks to nurture students to become caring leaders with global vision. The flexible programme structure provides students with many choices in course selection. With a strong conviction to promote whole person development, the aims of the BSocSc programme are to enable our students to develop their capabilities in:

- pursuit of academic/professional excellence, critical intellectual enquiry and life-long learning
- tackling novel situations and ill-defined problems
- critical self-reflection, greater understanding of others and upholding personal and professional ethics
- intercultural understanding and global citizenship
- communication and collaboration
- leadership and advocacy for improvement of the human condition
