

Credit Unit Statement: **Master of Science in Environmental Management (MSc(EnvMan))**

(applicable to students admitted in the academic year 2020-21 and thereafter)

A candidate shall follow and be examined in at least 60 credits of courses including core courses (42-51 credits) and elective courses (9-18 credits). For Part-time candidates, they will normally take 30 credits in their first year of study and 30 credits in their second year of study. A 3-credit course will normally consist of 18-24 hours of lectures, seminars, workshops and/or field trips.

Course code and name	Core/ elective	Type	Credits	Course load (hours)				Assessments			
				Contact	Course work	Exam	Total	Exam (%)	Course work (%)	Total Written output	
										Essay, report or dissertation (No. of words)	Gp. project/ presentation (%)
ENVM7003 Introduction to ecology	Core	Lecture-based	3	22	18	20	60	100	0	NA	0
