Master of Science in Construction Project Management

1. University Educational Aims (UEAs) for Taught Postgraduate Curricula

To enable our students to develop their capabilities in:

- (a) Critical intellectual enquiry and acquiring up-to-date knowledge and research skills in a discipline / profession
- (b) Application of knowledge and research skills to practice or theoretical exploration, demonstrating originality and creativity
- (c) Tackling novel situations and ill-defined problems
- (d) Collaboration and communication of disciplinary knowledge to specialists and the general public
- (e) Awareness of and adherence to personal and professional ethics
- (f) Enhancement of leadership and advocacy skills in the profession Note.

(Note This educational aim will apply only to professional curricula. Whether a similar aim might be articulated for non-professional curricula is still being considered.)

2. Statement of Programme Learning Outcomes (PLOs)

Programme: MSc in Construction Project Management

After completion of the MSc(Construction Project Management) programme, graduates will be able to:

	Statement
PLO1	Communicate effectively with related professionals in the real estate and construction industries
PLO2	Apply relevant theory to practice and develop project management methodologies to suit different project, environmental and organizational contexts
PLO3	Integrate relevant knowledge in construction project management with other disciplines in order to enhance professional practice skills
PLO4	Apply critical thinking, analytical as well as research skills to investigate issues and problems associated with the management of construction projects in a local, regional and global context
PLO5	Implement effective project management strategies to real estate and construction projects

3. Statement of Programme Learning Outcomes (PLOs) aligned with or mapped against University Educational Aims (UEAs)

Mapping of the PLOs against the UEAs (in the form of a matrix). Please put a tick in the appropriate boxes.

University Educational Aims (UEAs)		Programme Learning Outcomes				
		PLO2	PLO3	PLO4	PLO5
